

BUILDING COMMUNITY AND PRAISING GOD

CHRISTIAN ALTERNATIVE POP

Joshua Wake is a well-rounded musician with a background in percussion and music composition – but he’s not too proud to blend the worlds of sincere Christian rock and punchy pop rock.

Joshua Wake specializes in original music that combines a **pop sensibility with lyrical quality** and a **rock sensibility with a pop hook**.

Joshua Wake has performed as a street busker and race entertainment and in coffee shops and on the large stage, and is looking for a label to call home.
